INDEPENDENT AUDITORS' REPORT

The Board of Directors
National Coalition for Cancer Survivorship, Inc.
D/B/A Cancer Survivors Coalition
Silver Spring, Maryland

We have audited the accompanying financial statements of the National Coalition for Cancer Survivorship, Inc., D/B/A Cancer Survivors Coalition (NCCS), which comprise the statements of financial position as of December 31, 2016 and 2015, and the related statements of activities and changes in net assets, cash flows and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Coalition for Cancer Survivorship, Inc. as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

Note 1. Organization:

The National Coalition for Cancer Survivorship, Inc., D/B/A Cancer Survivors Coalition (“NCCS”) is a non-profit organization incorporated on June 25, 1987, under the laws of the State of New Mexico. NCCS exists to advocate for quality cancer care for all people touched by cancer. NCCS seeks to enhance the quality of life for cancer survivors*, their families and caregivers, and to promote an understanding of cancer survivorship by collecting and disseminating information on cancer survivorship; augmenting and strengthening survivorship programs; and advocating on behalf of survivors and their families. NCCS is active throughout the United States. The predominant source of revenues for NCCS is public contributions.

NCCS has been determined to be exempt from income tax pursuant to Internal Revenue Code Section 501(c)(3).

*NCCS defines “cancer survivor” as anyone who has ever had a diagnosis of cancer, including those newly diagnosed, those in treatment, and those no longer in treatment.

Note 2. Summary of Significant Accounting Policies:

Basis of presentation

The accompanying financial statements are presented in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 958. Contributions are recognized as revenue when they are received or unconditionally pledged. FASB ASC Topic 958 eliminates the utilization of fund accounting for financial reporting purposes and requires that net assets be classified as (1) unrestricted; (2) temporarily restricted; or (3) permanently restricted depending on limitations placed on the net assets by donors. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of NCCS and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of NCCS and/or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by NCCS.

Revenue recognition

NCCS accounts for contributions in accordance with the requirements of FASB ASC 958, under which contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2016 AND 2015

Note 2. Summary of Significant Accounting Policies (Continued):

Revenue recognition (Concluded)

Support that is restricted by the donor, including pledges, is reported as an increase in temporarily restricted or permanently restricted net assets, depending on the nature of the restriction. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

NCCS reports gifts of equipment as unrestricted support unless explicit stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit stipulations about how long those long-lived assets must be maintained, NCCS reports expirations of restrictions when the assets are placed in service.

During the years ended December 31, 2016 and 2015, NCCS received \$216,015 and \$143,852, respectively of in-kind donations. These donations are primarily related to advertising. Such activity is included in contributions in the accompanying statements of activities and changes in net assets.

Contributions, accounts receivable and allowance for doubtful accounts

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Unconditional contributions receivable are recognized as revenue in the period the pledge is received. Conditional contributions receivable are recognized when the conditions on which they depend are substantially met.

In the ordinary course of business NCCS grants credit to contributors, employees and others. The accounts receivable are recorded at the lower of cost or fair value. The risk of loss on the accounts receivable is the balance due at the time of default. NCCS uses the allowance method to determine uncollectible contributions and other receivables. The allowance is based upon prior years' experience and management's analysis of specific promises made. Management has determined that no allowance for doubtful accounts was necessary as of December 31, 2016 and 2015. NCCS does not accrue interest on its accounts receivable.

NCCS recognizes contribution revenue for certain contributed services received, recorded at the fair value of those services, based upon the requirements of FASB ASC 958. During the years ended December 31, 2016 and 2015, NCCS recorded no contributed services.

Inventory

Inventory is stated at the lower of cost or market determined by the first-in, first-out (FIFO) method.

Actual results could differ from those estimates.

Functional allocation of expenses

Note 3. Investments in Marketable Securities:

NCCS adopted the provisions of FASB ASC 820, Fair Value Measurement. In accordance with FASB ASC 820, NCCS has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Investments recorded in the Statement of Financial Position are categorized based on the inputs to valuation techniques as follows:

- Level 1 – Inputs to the valuation methodology are quoted in an active market
- Level 2 – Inputs to the valuation methodology are inputs other than quoted prices that are observable for the assets
- Level 3 – Inputs to the valuation methodology that are unobservable and significant to the fair value measurement. These inputs reflect assumptions of management about assumptions market participants would use in pricing the investments. These investments include non-readily marketable securities that do not have an active market.
